## St Basils Annual Walk Challenge 2018 Terms and Conditions

### 1. GENERAL

- 1.1 For the **LONG** and **MEDIUM** Walk route challenge the minimum age for participation in this event is 12 years old. If a person under the age of 18 is taking part then a responsible adult (someone over 18) must register them, at the event sign the disclaimer form on their behalf and take full responsibility for this person for the duration of the event. There is no age restriction for people taking part in the **SHORT** route challenge but anyone under the age of 18 must be accompanied by an adult.
- 1.2 All individuals taking part in the St Basils Walk are responsible for ensuring they are medically and physically able to undergo this activity.
- 1.3 Participants take part at their own risk and the organisers cannot be held responsible for any loss or damage to personal effects, for personal accidents or for injury or loss to third parties, other than as a result of St Basils negligence.
- 1.4 At the event you will be asked to sign next to your name on the disclaimer form. By signing this disclaimer form you are agreeing that you understand what the event contains and to take part in the event in accordance with these terms and conditions. If you do not sign this form you will not be allowed to take part in the event and no refund will be offered.
- 1.5 Teams should have a minimum of three people. *(This is for basic safety. If one walker is injured there ideally will be one team member to stay with the injured party and one to continue to the next Check Point where help can be summoned).*
- 1.6 A team walking behind schedule should contact the organisers for advice, either by telephone or by seeking advice from a Marshal. Any team or individual forced to retire should if possible do so at a staffed Check Point from where transport will be provided back to Event HQ. Everyone who retires must report in person to the Check-In Desk at the Finish Point and have their wrist band removed by a marshal.
- 1.7 The distances quoted in all literature pertaining to this walk are estimates and rounded up to the nearest half mile. Essentially they are calculated with a knotted piece of string and an OS map. We try to make each walk as close to a half and full marathon distance as we can, but we also allow for accents, descents and general terrain when estimating the overall distance and therefore we crave your forgiveness if the distances stated don't exactly match your 'sat navs'.
- 1.8 At least two mobile phones must be carried by a walking team and it is your responsibility to provide these. It is vital that the organisers know your whereabouts at the end of the day. If anyone is 'posted missing' rescue services will be alerted. False alarms can incur financial cost and could endanger someone in a genuine emergency!
- 1.9 The organisers reserve the right to stop walkers continuing if to do so would be potentially dangerous, (eg severe weather, onset of darkness). Anyone who then decides to continue will do so at their own risk.
- 1.10 All participants must obey The Country Code and the Laws and Bye-Laws of England and Wales as stated below and adhere to designated rights of way on tracks and paths on the route.
- 1.11 Whilst the organisers cannot prevent anyone from failing to comply with the above rules and safety requirements specified elsewhere in this publication from undertaking the Challenge, they reserve the right to disown or withdraw support from any offenders.

### 2. PAYMENT

- 2.1 Each participant will be required to pay a registration fee to participate in the walk. This will vary according to length of the walk they are participating in.
- 2.2. As an incentive to teams, we are offering a free place to each team that signs up five members. For every five members you sign up, you will get one place free. This must be done before the registration cut off time and date of **8th June**.
- ANYONE WHO IS TAKING PART IN THIS EVENT MUST HAVE REGISTERED BY THIS TIME. NO REGISTRATIONS WILL BE TAKEN AFTER THIS TIME AND NO PAYMENTS WILL BE TAKEN ON THE DAY OF THE WALK.**
- 2.3 Payment can be made via the online booking process, by BACS, by cheque, by card or by cash.
- 2.4 A record of all walkers will be kept at each checkpoint to make sure that they are participating in the correct walk. If anyone is found to be taking part in a longer walk but has only paid to take part in a shorter walk, they will be asked to make the necessary payment or will be removed.

---

**FOOD: All orders and payments must be made directly to the catering company.**  
Breakfasts and Baguettes will be available from the canteen from 06.30am until 8.45am.

The Evening Meal is available from 12 noon to 8.30pm.

**SPONSORSHIP/FUNDRAISING:** The objectives of the Challenge are to give walkers a safe and enjoyable challenge whilst raising money for St Basils work with young people who are homeless or at risk of becoming homeless. It is expected that every walker should endeavour to raise a minimum of £100 in personal sponsorship.

On line sponsorship can be done at: <http://uk.virginmoneygiving.com/charities/stbasils>
