ABOUT US

St Basils works with young people aged 16–25 who are homeless or at risk of homelessness, helping over 5000 young people per year across the West Midlands region with specific services in Birmingham, Sandwell, Solihull, Walsall, Warwickshire, Worcestershire, the Wyre Forest and Coventry.

Every year over 1200 young people are housed in our 33 supported accommodation schemes, which for some young people includes their young children as well. We have a range of prevention, accommodation and support services to help young people regain the stability they need to rebuild their lives, gain skills, training and employment and move on. The aim is to help them successfully break the 'cycle of homelessness' so that they can go on to experience a bright, fulfilling future and never return to a state where they are at risk of homelessness again.

St Basils also works with young people and partners on a national basis (funded separately). We facilitate the National Youth Reference Group and the Youth Homeless Parliament, we are part of the national End Youth Homelessness Alliance and we are working to roll out our 'Positive Pathway' model nationwide.
