

ABOUT the WOOF RUN

Woof Run's are fun obstacle courses for dogs. Most of the challenges are for dogs only but the crawling one's can be attempted by the owners as well and if it's wet you may get muddy. We try and combine man-made (Crufts like) obstacles with natural terrain challenges and depending on the distance you can go round as many times in your allotted time. Typically an obstacle will be jumping, crawling, slaloming and balancing, and have imaginative names, like the legendary Ring of Fire (*it's not really fire*), but if your dog does not want to engage with any obstacle simply go round it and move to the next one.

The event starts at 12 noon and we will be allotted a starting time slot between 12noon and 2pm and you have one hour to complete the course or go around again if you can do it in the one hour time slot.

Dogs are not obliged to wear a lead but must be 'other dog friendly'. As organisers we reserve the right to ask an owner to remove their dog if we feel their presence is a disruption to other dogs and all owners must sign a disclaimer to this effect.

The entry fee for this event just covers the running cost so we do ask the dogs if they would set up their own online fundraising page and ask their friends to sponsor them for every obstacle they do.
