#### PROGRESSION COACH - BROMSGROVE (30 HOURS PER WEEK)

Applicant Information Pack Closing Date: Thursday 5<sup>th</sup> March 2020 Interview Date: TBC

St Basils Psychologically Informed Environments

### Our Mission

St Basils *works* with young people to:

- Enable them to find and keep a home
- Develop their confidence, skills and opportunities
- Prevent youth homelessness

## Our Vision

Our vision for all young people is that:

- Homelessness is not part of their experience of growing up
- There are integrated education, employment and housing pathways
- They are able to access the support and development opportunities they need to secure their futures and realise their potential

Our vision for St Basils is that:

- By 2022 we will be the leading provider of accommodation, support and psychologically informed services for young people across the West Midlands.
- Our service developments will include:
  - Increasing our bed spaces outside Birmingham and growing our services in new areas
  - a nationally renowned centre of excellence for young people with complex needs
  - $\circ$  extending our service offer to Care Leavers
  - additional Live and Work schemes for young people engaged in education, training and work
- We will be the national lead for:
  - Psychologically informed consultancy, training and reflective practice services
  - $\circ$  Youth Voice engagement and support

St Basils works with young people aged 16-25 who are homeless or at risk of homelessness, helping over 5000 young people per year across the West Midlands region with specific services in Birmingham, Sandwell, Solihull, Walsall, Warwickshire, Worcestershire, the Wyre Forest and Coventry.

Every year over 1200 young people are housed in our 33 supported accommodation schemes, which for some young people includes their young children as well. We have a range of prevention, accommodation and support services to help young people regain the stability they need to rebuild their lives, gain skills, training and employment and move on. The aim is to help them successfully break the 'cycle of homelessness' so that they can go on to experience a bright, fulfilling future and never return to a state where they are at risk of homelessness again.

St Basils also works with young people and partners on a national basis (funded separately). We facilitate the National Youth Reference Group and the Youth Homeless Parliament, we are part of the national End Youth Homelessness Alliance and we are working to roll out our 'Positive Pathway' model nationwide.

"You often hear the phrase that Birmingham is Britain's second city but in my view we should be proud of the fact you are Britain's first city when it comes to care for vulnerable homeless young people". "No-one else is doing it as well as St Basils." - HRH The Duke of Cambridge On behalf of St Basils, may I take this opportunity to thank you for your interest in working with us.

You are looking to join us at a very exciting time in our development - St Basils has grown and developed services in response to ever changing needs and a better understanding of what works. This is a continuing dynamic process and we are the largest organisation of our kind. Our focus is on young people and our first principle is 'young people first', closely followed by 'everybody counts'. Each of us is expected to live up to those and

our five other key principles and to make our contribution in delivering and improving our services.

Here at St Basils, we are a multi-talented, diverse team. We are proud of our diversity and are keen to nurture our broad range of skills and talents within a framework of principles, which will inform our judgments. We have expectations and hopes that if you are successful, you will give of your best and commit to continuous improvement for yourself and the agency. In return, we will do our best to provide a fair and developmental working environment.

We want to ensure that if you are successful, you settle into St Basils and your new role as quickly as possible - you will have a specific and important part to play in ensuring that the agency achieves its business goals. You will be joining an organisation with a real opportunity to make a difference to the lives of our young people!

I hope that you find this information pack informative and helpful throughout the application process.

Yours Sincerely,

Mrs Jean Templeton Chief Executive - St Basils Young people tell us that Progression Coaches need to genuinely care about them and their futures, go the extra mile, be reliable, friendly and able to relate to them and their problems.

Many of our young people have not had the best start in life and face significant challenges in securing a positive future - they need support to make progress and achieve their aspirations especially around employability. As a Progression Coach, you will have a case load of young people and you will play a central role in their lives, working alongside them to assess risks and needs and to develop plans which will enable them to make progress.

Using a social pedagogy approach (head, heart and hands), you will work holistically with your young people, having regular contact with them and keeping a close eye on their progress.

At St Basils, Progression Coaches work in supported accommodation based settings and also provide floating support for young people in their own tenancies across the West Midlands. Ability to work as part of a team is essential, as well as preparedness to work outside normal office hours.

Experience is not essential, we will provide all necessary support, induction and training.

If you have these qualities, are able to engage with young people and feel able to make a positive difference to their lives we would be delighted to receive your application.
