## ABOUT US

---

St Basils works with young people aged 16–25 who are homeless or at risk of homelessness, helping over 5000 young people per year across the West Midlands region with specific services in Birmingham, Sandwell, Solihull, Walsall, Warwickshire, Worcestershire, the Wyre Forest and Coventry.

Every year over 1200 young people are housed in our 33 supported accommodation schemes, which for some young people includes their young children as well. We have a range of prevention, accommodation and support services to help young people regain the stability they need to rebuild their lives, gain skills, training and employment and move on. The aim is to help them successfully break the 'cycle of homelessness' so that they can go on to experience a bright, fulfilling future and never return to a state where they are at risk of homelessness again.

St Basils also works with young people and partners on a national basis (funded separately). We facilitate the National Youth Reference Group and the Youth Homeless Parliament, we are part of the national End Youth Homelessness Alliance and we are working to roll out our 'Positive Pathway' model nationwide.

## ABOUT THE ROLE - *Progression Coach (Floating Support)*

---

Young people tell us that Progression Coaches need to genuinely care about them and their futures, go the extra mile, be reliable, friendly and able to relate to them and their problems.

Many of our young people have not had the best start in life and face significant challenges in securing a positive future – they need support to make progress and achieve their aspirations especially around employability. As a Progression Coach, you will have a case load of young people and you will play a central role in their lives, working alongside them to assess risks and needs and to develop plans which will enable them to make progress.

Using a social pedagogy approach (head, heart and hands), you will work holistically with your young people, having regular contact with them and keeping a close eye on their progress.

At St Basils, Progression Coaches work in supported accommodation based settings and also provide floating support for young people in their own tenancies across the West Midlands. Ability to work as part of a team is essential, as well as preparedness to work outside normal office hours.

Experience is not essential, we will provide all necessary support, induction and training.

If you have these qualities, are able to engage with young people and feel able to make a positive difference to their lives we would be delighted to receive your application.
