

Christmas Gift Appeal 2026

St Basils

We're asking supporters to create their own gift bag or shoebox, filled with five items that St Basils' Young People can enjoy over the holidays.

To help us make sure our Young People receive gifts that are as fair and equal as possible, we've put together five simple categories for you to choose from.

This also helps us make sure we have a good mix of useful items, festive treats and something fun to open, while giving us the best chance of providing a gift to all **900 Young People** in St Basils care.

Toiletries:

shower gel, moisturiser or a toiletry set

Christmas treat:

chocolate, sweets, biscuits or hot chocolate sachets

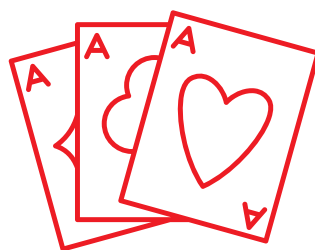

Warm & cosy item:

fluffy socks, gloves, a hat or scarf

Something practical:

notebook, nice pens, a water bottle or a travel mug

A small present:

puzzle book, playing cards, self-care item or fidget toy

The age of our Young People are **16 to 25**.

If you have toys to donate, our mother and baby projects include children aged 0 to 2yrs.

When your gifts are ready, please email: fundraising@stbasils.org.uk

Please note: We kindly ask that you leave your gift bag or shoebox easy to open, so our team can quickly check the contents before they are distributed. This helps us make sure each gift is suitable for the Young Person.
